Totals	36	31	67	67

Notes:

- This request is based on Extreme Networks products. The table below contains the Extreme Networks part numbers for reference. Proposed equipment must be highly equivalent to the Extreme Networks products and must be compatible and preferably stackable with existing Extreme Networks X450 and X460 series switches.
- Pricing should be for hardware/software only and **should not** include setup/configuration or installation.
- Proposals should provide an overall project cost as well as subtotals for each school.
- Please include Louisiana State Contract information if applicable.
- All proposals are due on or before March 2, 2015 at 12:00 PM CST. Proposals must be provided in electronic format and should be emailed to erate@opsb.net.
- Questions should be sent to erate@opsb.net. Questions and answers will be posted at <http://www.opsb.net/erate>.

	Description	Extreme Part #
a	Extreme SummitX460-24p 24 port POE switch (or equivalent) (including power cord – Extreme Part# 10061)	16403
b	Extreme SummitX460-48p 48 port POE switch (or equivalent) (including power cord – Extreme Part# 10061)	16404
c	Extreme .5m Stacking Cable (or equivalent)	16106
d	Extreme SummitStack Module (or equivalent)	16419

**Ouachita Parish School System
2015-2016 E-rate Switch Project**

Proposals will be evaluated using the following rubric:

1. Cost of eligible equipment.....40 points

Cost of the e-rate eligible equipment in the proposal.

2. Compatibility with district’s existing devices.....20 points

The district has spent significant resources to standardize our network devices. Therefore compatibility with these existing devices is very important. Zero (0) points will be awarded for non-compatible devices, and twenty (20) points will be awarded for full compatibility.

3. Product features and capabilities.....20 points

All documented features and capabilities of the proposed devices will be evaluated and points awarded as such. Points will not be awarded for features and capabilities that are not included in the cost of the device as proposed.

4. Louisiana state contract preference.....20 points

The district prefers to purchase using the Louisiana State Contract when possible. Zero (0) points will be awarded for proposals that *are not* based on the Louisiana State Contract, and twenty (20) points will be awarded for proposals that *are* based on the Louisiana State Contract.
